

Waidr Portable Back pack Industrial Vacuum Cleaner

Technical Parameter

Model	WD-6LA	WD-6LAC
Voltage (V)	36	220
Power (W)	500	900
Airflow (m3/h)	125	138
Vacuum (mbar)	170	200
Noise level (dB)	68	78
Filter area (cm2)	3200	3200
Barrel capacity (L)	6	6
Battery type	Lithium battery	/
Inlet (mm)	32	32
Filter type	HEPA + Non-woven & Paper bag	
Machine weight (kg)	7.2	5.4
Machine size (mm)	359*504*233	359*504*233

Features

- 1. High-Performance Motor:** Equipped with a 36V DC motor delivering 500W strong suction power, easily picks up paper scraps, cigarette butts, and more.
- 2. Easy Operation:** One-touch start button for quick and hassle-free use.
- 3. Advanced Filtration System:** Features a washable HEPA polyester filter for multi-layer filtration—traps fine dust, protects the motor, and releases clean air.
- 4. Ergonomic Shoulder Strap:** Adjustable backpack design allows hands-free operation, perfect for cleaning in tight spaces or high places.
- 5. Long-Lasting Battery:** Rechargeable lithium battery ensures extended runtime, ideal for cordless cleaning in power-free environments.
- 6. Lightweight & Portable:** Easy to carry and operate for long periods without fatigue.

Working Environment

- ◇ **Working area:** Perfect for offices, commercial spaces, high-altitude work, narrow gaps, and more!
- ◇ **Suitable for vacuuming:** Light dust, small solid particles, and debris effortlessly.
